

Pertama sung buat di terminal file baru baru lanjutan ke proses selanjutnya ini dibuat pakai Laravel. Pertama disiapin lingkungan kerja dan database buat nyimpan data user, laporan, komentar, dan chat. Setelah itu dibikin fitur utama dan diskusi. Tampilannya pakai Blade dan Tailwind biar rapi dan responsif, lalu semua fitur dihubungin lewat routing dan sistem login Laravel. Pembuatan migration untuk merancang struktur database yang mencakup tabel pengguna, tiket laporan, komentar, dan chat. Selanjutnya, logika aplikasi dibangun menggunakan Model dan Controller (seperti TicketController dan ChatController) untuk menangani fungsi pelaporan ("Lapor Pak!") dan diskusi. Terakhir, routes/web.php untuk menghubungkan setiap fitur dengan tampilannya, serta mengintegrasikan sistem autentikasi bawaan Laravel.

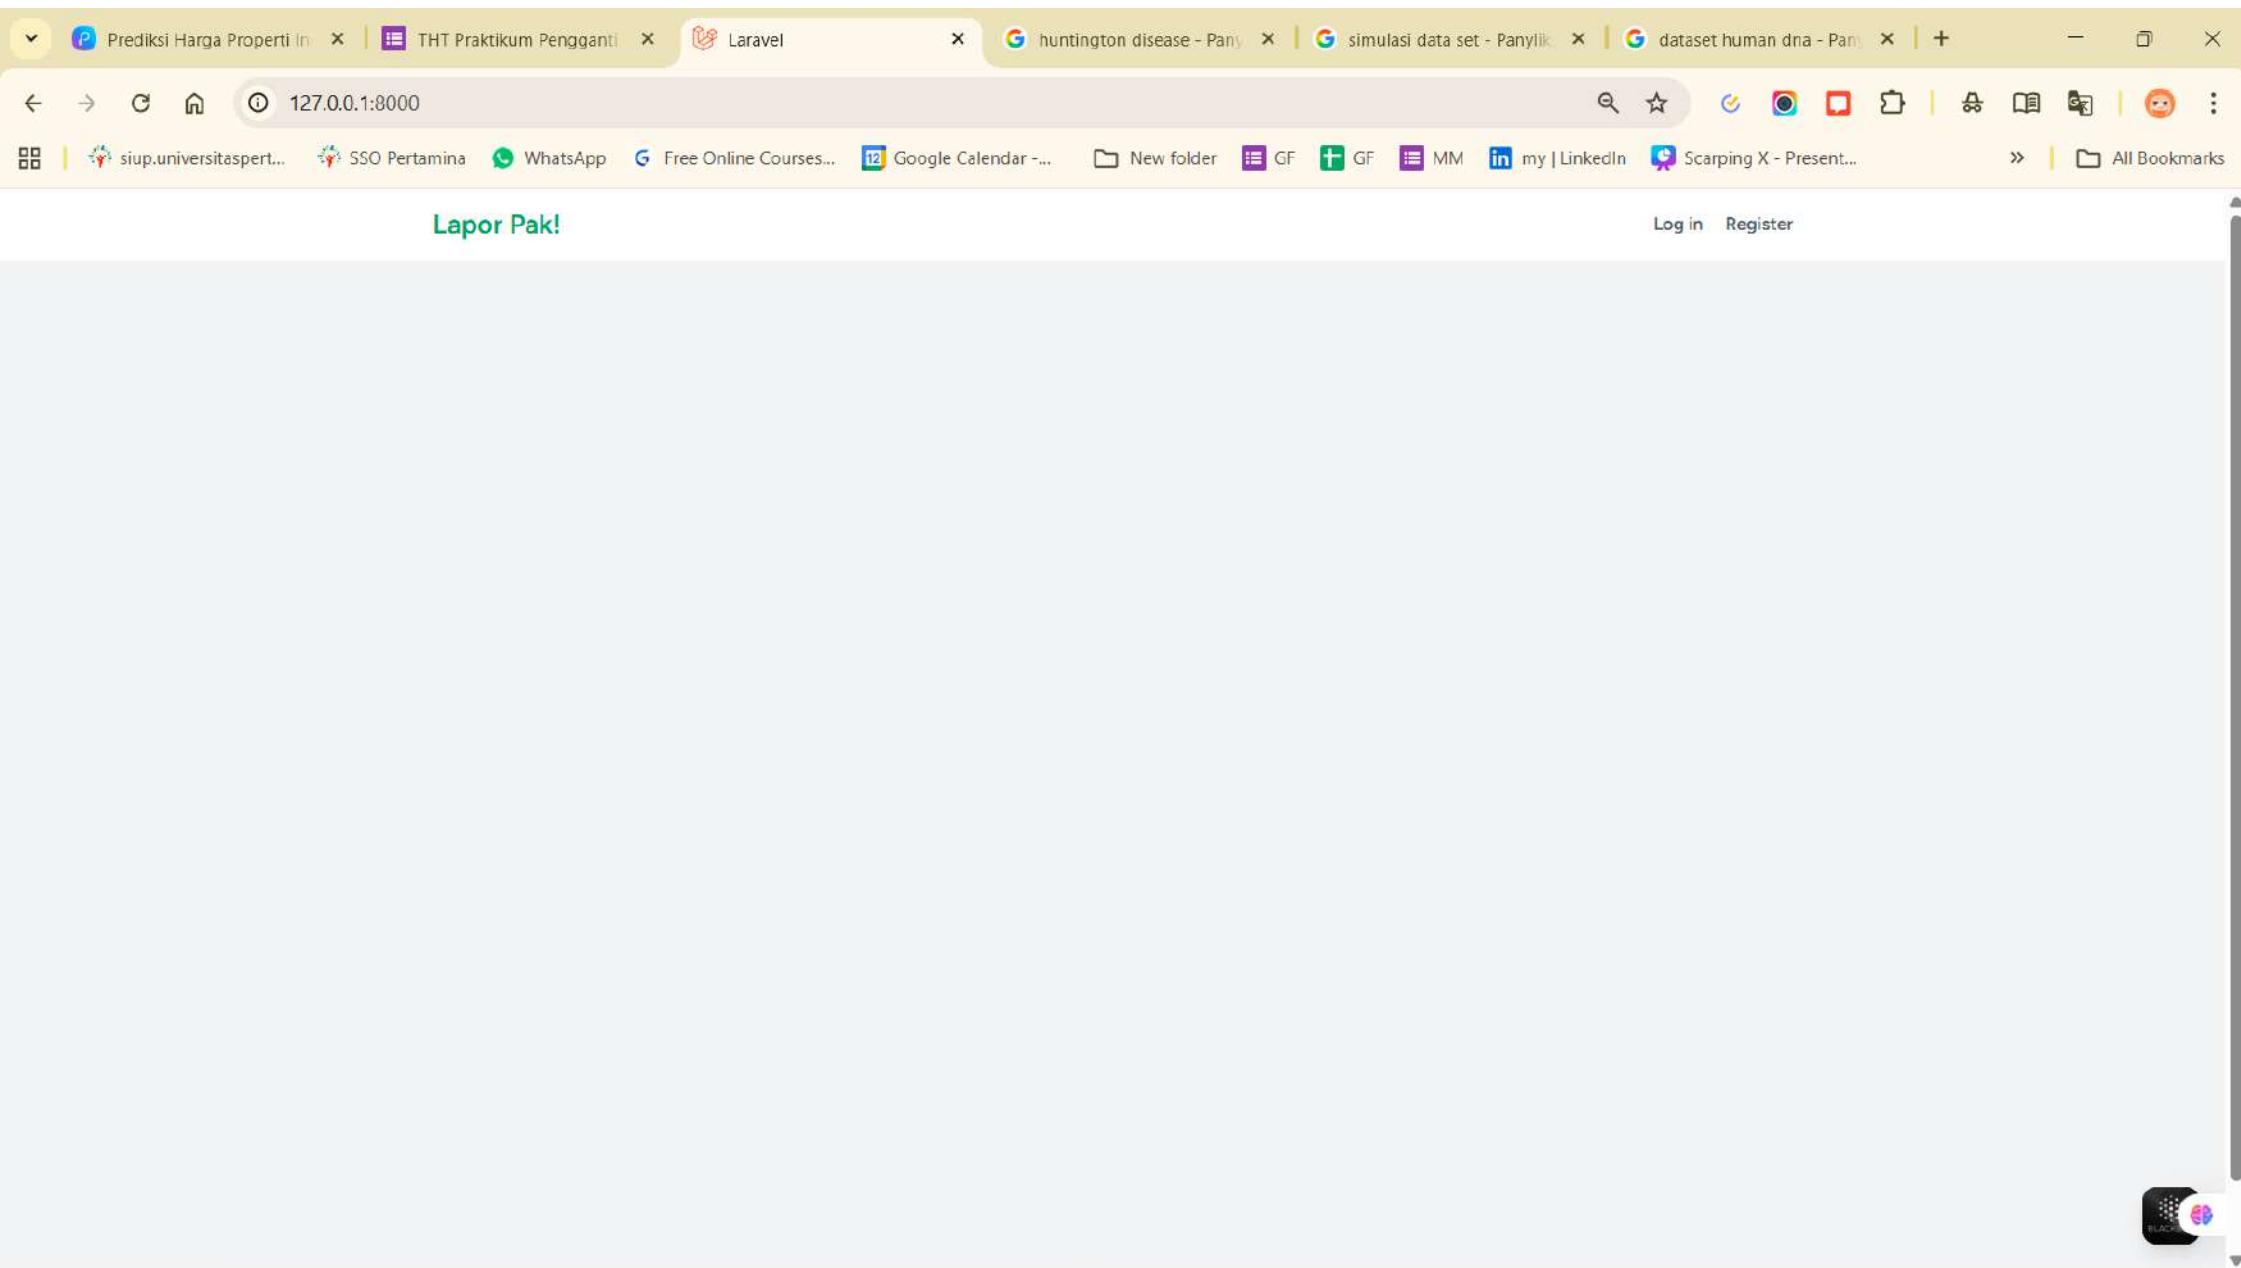

Screenshot of a web browser showing multiple tabs open. The active tab is at 127.0.0.1:8000/register.

The page displays a registration form with the following fields:

- Name: An input field with a purple border.
- Email: An input field.
- Password: An input field.
- Confirm Password: An input field.

Below the form are two buttons: [Already registered?](#) and a dark blue **REGISTER** button.

The browser interface includes standard navigation buttons (back, forward, search, etc.) and a toolbar with various icons.

A screenshot of a web browser window showing multiple tabs open. The active tab is at the URL 127.0.0.1:8000/login. The browser interface includes standard navigation buttons (back, forward, search, etc.) and a toolbar with various icons.

The browser has several tabs open, including:

- Prediksi Harga Properti In...
- THT Praktikum Pengant...
- Laravel
- huntington disease - Pany...
- simulasi data set - Panylik...
- dataset human dna - Pan...

The main content area displays a login form for a Laravel application. The form features a logo consisting of three interlocking 3D cubes. It includes fields for 'Name' (containing 'admin') and 'Password' (containing a series of dots). There is a 'Remember me' checkbox and a 'LOG IN' button. Below the form is a link for 'Forgot your password?'
